

2024-2026

ACTIONS

- 01 Project Management and Quality
- 02 Personal, Social and Learning to Learn Competence Framework for children with ADHD
- 03 Education Audit-Tool Kit
- 04 VR Game and Interactive Portal
- 05 Dissemination and Sustainability

About us

Within the Erasmus+ cooperation partnership, the consortium intend to undertake the development of tools and programmes designed to support parents and practitioners working with children diagnosed with ADHD, thereby enhancing the effectiveness of their interventions and practices, as well as children's success.

PROJECT GOALS

MISSION & PURPOSE

01 CHILDREN

Empower ADHD children to improve personal, social, and learning to learn competencies, build resilience against difficulties and promote diversity and inclusion in education.

02 PARENTS

Support parents, as close collaborators of schools and contributors towards the learning process of their ADHD children

03 PROFESSIONALS

Strengthen the profiles of professionals working with ADHD children in schools through a validated training programme and technological resources.

Key Action 2
Cooperation Partnerships

Co-funded by the
Erasmus+ Programme
of the European Union

Project no. 2024-1-EL01-KA220-SCH-000249814
